# Unite to Win Justice at Staffing Agencies!

**Tired of racial discrimination, wage theft, sexual abuse & unsafe conditions? So are we.**

Over the last 12 years, our members in Temp Labor have fought to:

- ⤴ pass the nation's strongest protections for temp labor, in the Illinois State Assembly
- ⤴ challenge the use of Criminal & Credit Background checks
- ⤴ win over \$15 million in stolen wages and damages on behalf of 150,000 temp workers in the Chicago region
- ⤴ shut down 7 staffing agencies who were particularly abusive
- ⤴ negotiate enforceable protections with a national agency
